

FEBRUARY 2022 NEWSLETTER

This month we have been focusing on fine motor and gross motor play, we have been using our peg boards and button and peg jars plus puzzles and doing crafts and activities which encourage holding our materials properly with our fingers. They have been doing really well matching the pieces into their proper places with only some help

We have also gotten the tunnels and pop up tents out and using the bikes and balls/hula hoops in the room. The children really like these activities as it gives them a chance to run around as most days we can't get outside.

UPCOMING DATES IN FEBRUARY

Feb 14, - Valentines day

Feb 21 – Family Day – centre is closed

Feb 22 – Rossana on birthday vacation today

We are now back up to 4 children in our program and we are hoping Joni will be back with us in the next month, Rossana will be having Erin and Namerta work with her til that time.

Have a great month!!!!!!
