

TODDLER NEWS

OCTOBER 2021

Welcome October! The month of September flew by and we are preparing for colder months ahead! That being said, we encourage all parents/guardians to pack warmer clothes, hats and mitts once the weather starts getting cooler. We will be sending home sunscreen as it is no longer needed. 😞 October will be full of Halloween fun, thanksgiving crafts and fall leaves! We have already started to decorate our room for Halloween and the children love it! We have also brought in a few small pumpkins which the children enjoy holding and feeling and exploring them.

There are a few important dates to remember for the month of October. Christine (ECE Student) will be starting on **Thursday October the 7th, 2021**. On **Monday October 11, 2021, the Centre will be closed** due to Thanksgiving Monday. Also, on **Friday October 29, 2021**, we will be celebrating Halloween by having a pajama day. So, feel free to dress your child in their pajamas and bring along a favorite stuffy if they like.

The Toddlers have been very interested in the leaves changing colors, playing in the sandbox, searching for bugs, they all absolutely love participating in craft and getting the buses, firetrucks and dump trucks to honk as they drive by. We have been dancing to music (they all love “The Wheels on the Bus” and “Party Freeze Dance” song). They all have such unique dance moves that are hilarious! The children definitely keep us laughing and on our toes! They have also been very interested in reading books. They will bring books to the educators asking them to read (they will often go between Ally and Jocelyn bringing the same book back and forth to them to read). We have even brought books outside and the children will often sit in the grass looking at the books.

We have to say goodbye to Elsie (at the end of the month) who will be leaving the program while she welcomes her new brother or sister. We will miss her a great deal. We will be welcoming Evan into the program from the infant room at that time.

Enjoy the colors of fall, Have a great October
Ally, Jocelyn & The Toddlers
