

Kinderplace Child Care Centre Inc.

Infant Program

We provide a stimulating environment and program with an abundance of sensory stimulation. Such activities include gloop, water play, cornmeal play and colouring. Our emphasis is on freeplay and exploring the environment. We try to follow your schedules and routines for your child.

Child's Name: _____

Allergies: _____

Please outline the daily routine you would like us to try and follow. Please include food and bottle, times and amounts, as well as nap times and length.

How does your child go down for sleep?

Please list any other information you feel would be helpful for us to know (sitting, walking, health info, etc.)

Parents Signature: _____

Date: _____
