

INFANT NEWS  
DECEMBER 2020

Welcome December! We hope everyone is staying healthy, getting ready for Santa's arrival and getting ready for the colder months. We have been very lucky with the weather so far!

This past month, we have had 2 Infants move up to the Toddler Room and one Infant switch Daycares to be with her brother! So, we have 3 new Infants starting this month! Noelle, Maxwell and Elsie! Our friends that have met Elsie and Noelle so far are very excited to be able to play with them and are very curious about them. We can't wait to watch everyone grow!

There are a few important dates to remember for the month of December! The Daycare is open all the way until December 23<sup>rd</sup>. We are **closed** starting **December 24<sup>th</sup> 2020 until January 1<sup>st</sup> 2021**. We will not open again until **Monday January 4<sup>th</sup> 2021**.

The children have started to show interest in Santa, Snowmen, Elves, Reindeer, Snow, and Christmas lights! We have decorated our room like it was Santa's Shop itself! We have been reading books about Santa and when the children hear "HO, HO, HO" or see a picture of Santa, they point to the decorations in the room! They are really enjoying playing outside in the snow and going for rides on the sled! We are excited to expand their interest!

Just a friendly reminder that it is getting to be colder out. We go outside up to -10 degrees. Please make sure your child has appropriate clothing for the weather.
